Chapter 1 by Meghan Tray

I turned and called out, "Is anyone there?"

Chapter 2 by R

Someone, or something answered: "No."

I stood in the forest, far more frightened than I had been a few seconds ago. "Then who said that?" I asked, shaking, and calmly but very very quickly stepping further down the path out of the woods.

"Why, no one, child." Came the voice, saying the words like they were obvious. "You're the only anyone out here."

I tried to find the speaker, tried to pinpoint a direction, but I couldn't. Instead, fearful for my life, I ran as fast as possible down the path.
